

Boost Your Real Estate Sales with Premium Streaming Ads

The real estate market is competitive, and standing out from other agents is critical to closing more deals.

With Connected TV (CTV) advertising, you can showcase your listings to high-intent buyers directly on their favorite streaming platforms.

Target Homebuyers in Your Market –

Deliver your ads only to people actively searching for homes in your area.

High-Quality Video Showcase – Present your listings in stunning detail with immersive, engaging video ads.

Affordable & Effective Marketing – Reach a broad audience without the high cost of traditional TV ads.

Measurable Results – Track engagement and see which ads are driving inquiries and showings.

How Influence Crafters Helps You Sell More Homes

We help real estate professionals connect with serious buyers through data-driven CTV campaigns. Our services include:

Professional Video Ad Production – Highlight your properties in a visually stunning and compelling way.

Advanced Audience Targeting – Ensure your ads reach the right demographic, including first-time buyers, luxury home seekers, and investors.

Performance Analytics & Optimization – Monitor and refine campaigns for maximum lead generation.
